Nov 22, 2024

This is my second order of these Rotary Encoders from Dongguan Terwin. I am very happy with them. The LEDs are bright, and the encoders have a nice feel. The attached image shows the Encoder LEDs diffused through some Clear PLA knobs I 3D printed. The encoders produce clean square waves with little electrical noise when viewed with an oscilloscope. Highly Recomend!

Supplier's reply:

Thank you Jake for your 5 star review for the encoder.

Residual resistance	500Ω Max
Maximum current	400-800mA
Voltage proof	AC 250V 1minute
Rotational life	30,000 - 1 million cycles

Why Choose Us

Have you met these?

You've worked with quite a lot of suppliers with much money and time, but they are all a mess. They are obstacles in your business life.

Poor communications ?

poor quality ?

Delivery delay ?

Not overall service ?

Long shipping time ?

Lack of designs ?

Wrong products ?

**When You Choose Them Is A Transition
Choose Terwin Electronic.**

Company Profile

Founded in 2013, Dongguan Terwin Electronics Co., Ltd. is headquartered in Dongguan, Guangdong. The company integrates product research and development, manufacturing, and sales. After years of hard work and development by the team, the company has more than 100 product invention patents and approvals. Terwin Company specializes in the research and development of potentiometers, encoders, switches, and sensors; products are widely used in home appliances, automotive central control audio and video, adjustable lighting, musical instruments, medical instruments, game consoles, etc. In addition to standard specifications, customized products can also be provided.

developed according to customer requirements.

The company has successively obtained I S 0 9 0 0 1, I S 0 1 4 0 0 1, I A T F 1 6 9 4 9 and other certificates. The implementation of 7 S and the operation of E R P system have penetrated into every corner of the company. From personnel dressing to production management, from material selection to quality control, it provides reliable guarantee for the production of high-quality products. The company always adheres to the "quality first, reputation first", stands out in the fierce competition market. We believe that through continuous innovation of Tianqian people, the craftsmen who strive for perfection Spirit, "Tianqian" will gradually grow into an international brand worthy of customers' trust.

FAQ

Q1: Do you support OEM?

A1: Yes. OEM & ODM are available.

Q2: How do you ensure product quality?

A2: All of our products undergo rigorous testing before leaving the factory, and the defective rate is less than 0.2%

Q3: Can I buy one sample for testing?

A3: Of course, we provide samples for free

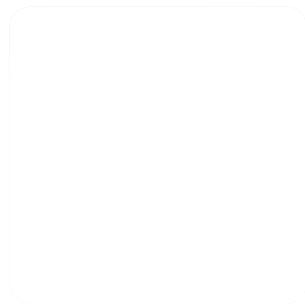

Q4: How to solve technical problems?

A4: We have professional engineers to provide you with free after-sales service consultation 24 hours so that your problems can be easily solved.

Q5: How long is the product delivery time?

A5: Sample orders will be delivered within 7 days. Bulk customized product orders will be delivered within 30 days
